IT'S TIME TO Celebrate

APRIL 2023

VOLUME 3 / ISSUE 4

because fHRm turns 5 today!

We are thrilled to share that we have reached our 5-year anniversary milestone! It all started on April 19, 2018, when I embarked on a mission to provide high-quality HR services to business owners who did not have any HR support or had an HR department of one. My aim was to offer authentic, transparent, genuine, and innovative HR solutions that would help businesses grow and flourish.

Over the past 5 years, my team of HR Ambassadors and I have put this goal into action. We are committed to delivering exceptional HR solutions to businesses of all sizes, and we take pride in customizing our services to meet each client's unique business and people needs.

We understand your business is your livelihood and we are committed to providing you with the best HR resources and services possible.

Without your support and trust, we would not be where we are today.

It is a privilege to have the opportunity to partner with you, and we are grateful for the confidence you have placed in us to help you manage your most valuable asset

– your employees
